Fish Mapping® — the most comprehensive SiriusXM Marine service

This service includes all the SiriusXM Marine weather features and regularly updated, science-based fishing features to help you locate fish faster. Plus, add SiriusXM Entertainment to your MFD and listen to over 140 channels while out on the water and even more when you are at home on the SiriusXM App.*

View all eight fishing features on your MFD

View all eight fishing features, plus ocean currents & historical data, on your smartphone or tablet

1-MONTH TRIAL OFFER DETAILS: Activate a new monthly subscription to SiriusXM Marine Fish Mapping and get your 1st month free. Credit card required. Service will automatically renew after your free trial at then-current rates (currently, \$109.99/mo). Fees and taxes apply. Please see our Customer Agreement at www.siriusxm.com for complete terms and how to cancel, which includes calling us at 1-800-985-9200. Full terms available at siriusxm.com/pointclickfish.

*Separate subscription required.

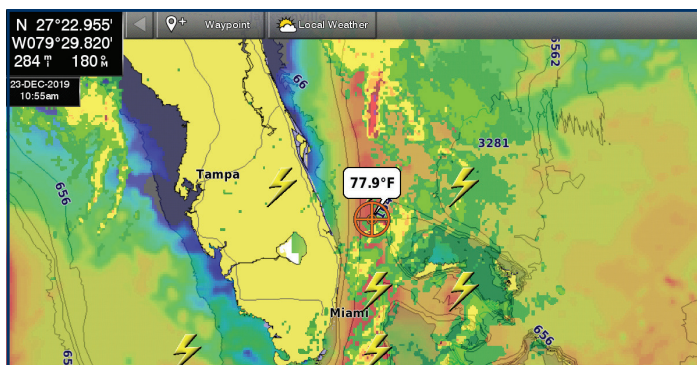

2 Month Trial

Weather & Entertainment

Add Weather & Entertainment to Your Display

Anglers get a 2-month trial of up-to-date marine weather information and forecasts directly on your multi-function display, plus SiriusXM entertainment. Because the service is delivered by satellite, you will have up-to-date situational awareness for over 150 NM from the contiguous US.

View sea surface temps, weather radar & lightning

- **Avoid adverse conditions** with Weather Radar, Lightning, Storm Tracking and Alerts
- **Access Local and Marine Zone Forecasts** and Weather Map with Isobars/Pressure
- **Anticipate conditions** with Wind Speed & Direction and Wave Height
- **Locate hotspots** with Sea Surface Temperature
- **Add SiriusXM Entertainment** and listen to over 140 channels while out on the water*
